Elements

Inspirations®
REGISTERED EMBOSSED LVT

Very few brands can compare with the high-end manufacturing, detail and performance of the Elements Inspirations® LVT Collection. This is high-end LVT at its best.

Experience the beauty of natural wood with all the knots and swirls in an ultra-matt finish, through twelve unique patterns and colours, offered in matching Planks and Herringbones.

Elements Inspirations® looks and feels like real hardwood flooring, owing to its Registered Embossing (also known as EIR). This is a raised surface texture that matches the pattern of the wood-grain.

Boasting a commercially-rated 0.70mm wear layer (20% denser than most competitors), Elements Inspirations® has exceptional scratch protection from scuffs, scrapes and stains from furniture, pets and little ones.

This level of protection ensures your new floor will maintain its great looks for many years and is, therefore, very easy to look after — just a soft brush and spray mop will do it. Elements® is also waterproof which makes it ideal for kitchens and bathrooms (not wetrooms).

Registered Embossing for an Ultra-Realistic Finish

Elements Inspirations® LVT is designed and manufactured to match the look and feel of real hardwood flooring. EIR achieves this brilliantly by producing a three-dimensional surface texture that exactly follows the knots and patterns of the wood-grain film layer below. In doing so, what you can see also matches what you can feel.

- 2.5mm thickness
- 0.70mm commercial wear layer
- Registered Embossed (EIR)
- Ultra-matt finish (low sheen)
- Waterproof and stain-resistant
- Slip-resistant rated +36
- Micro-bevelled edges
- Easy to clean and maintain
- Rated A+ for VOC emissions
- Contains no formaldehyde
- Lifetime residential warranty
- 15-year commercial warranty

*Guaranteed for use only with water-based UFH (underfloor heating) systems.

SANDY OAK Plank **EIP-01**
Matching Herringbone **EIH-01**

PLANKS

Colours	12
Thickness	2.5mm
Wear layer	0.70mm
Size	187mm × 1227mm
Planks per pack	16 planks = 3.67m ²
Warranty	Lifetime residential 15-year commercial

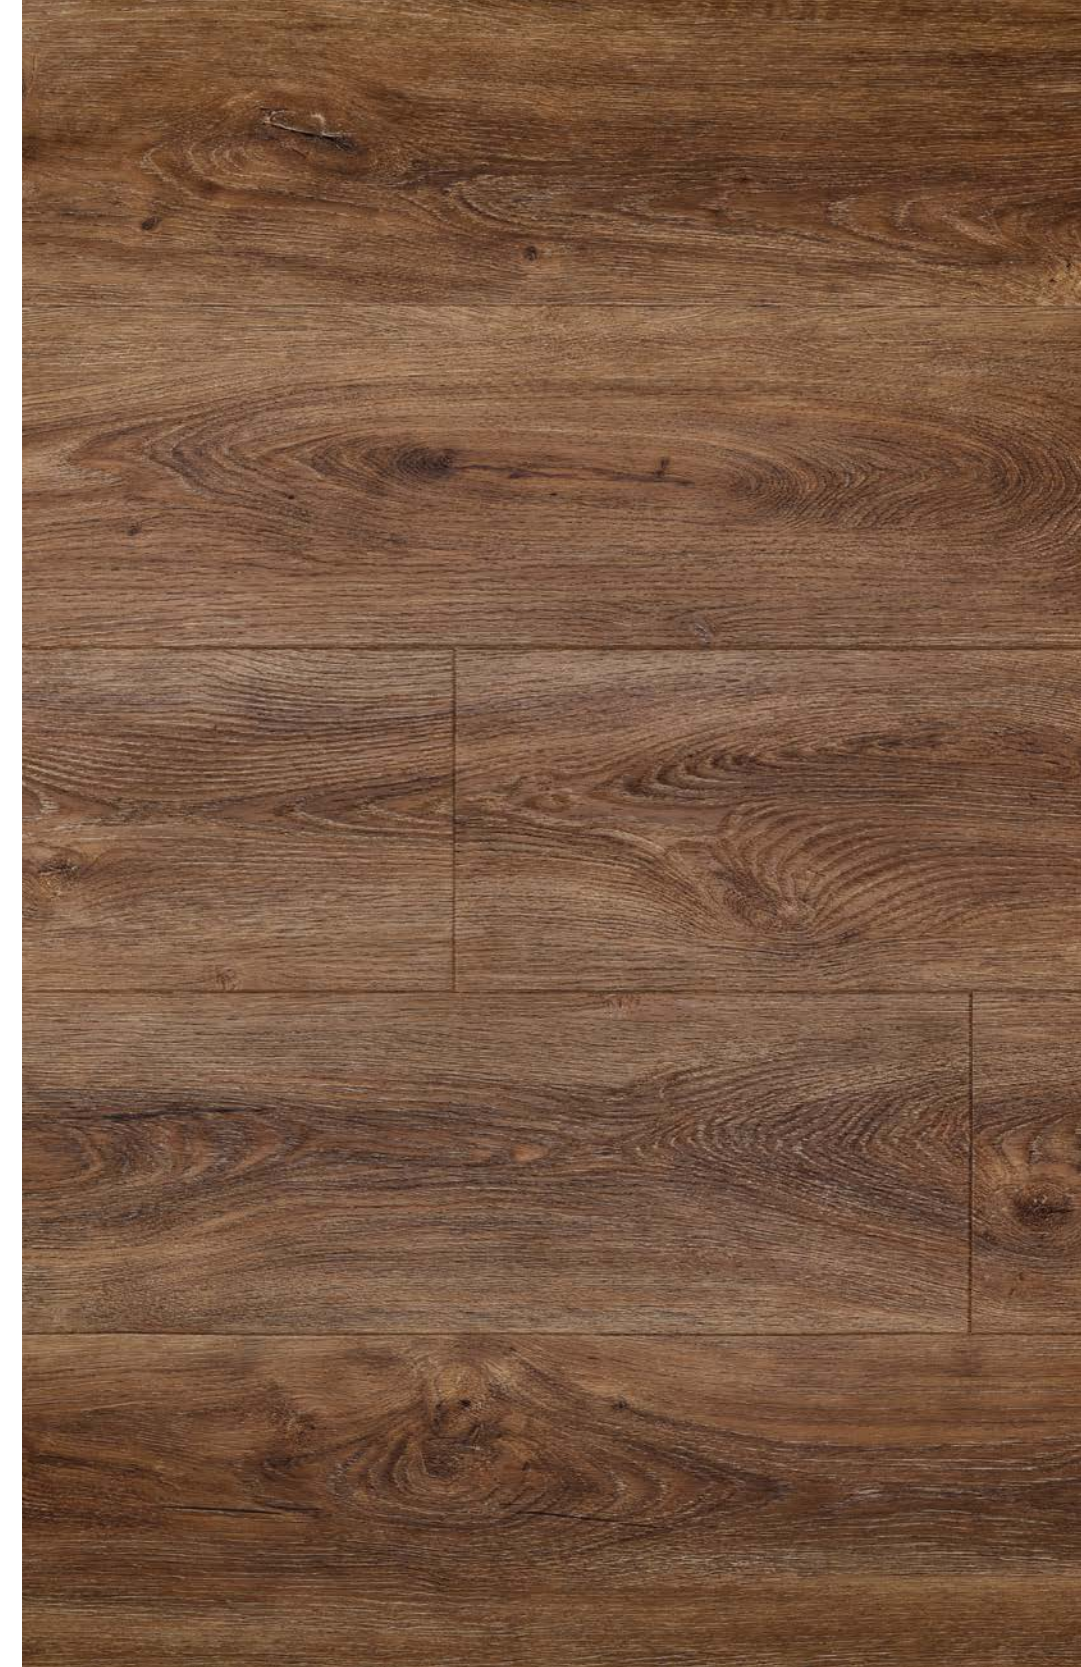

Experience the beauty of natural wood with all the knots and swirls in a longer and wider format than the narrower and shorter Herringbone.

All twelve Planks colours shown on the following pages are available in matching Herringbone (**see pages 30-55**).

SANDY OAK Plank **EIP-01**
Matching Herringbone **EIH-01**

ESPRESSO Plank **EIP-02**
Matching Herringbone **EIH-02**

Exceptionally Durable

Elements Inspirations® is built to last. It has a commercially-rated extra thick 0.70mm wear layer, suitable for residential and commercial areas.

The wear layer protects the floor from scuffs and scrapes, helping preserve its good looks and makes it exceptionally easy to maintain.

ESPRESSO Plank **EIP-02**
Matching Herringbone **EIH-02**

LIMED OAK Plank **EIP-03**
Matching Herringbone **EIH-03**

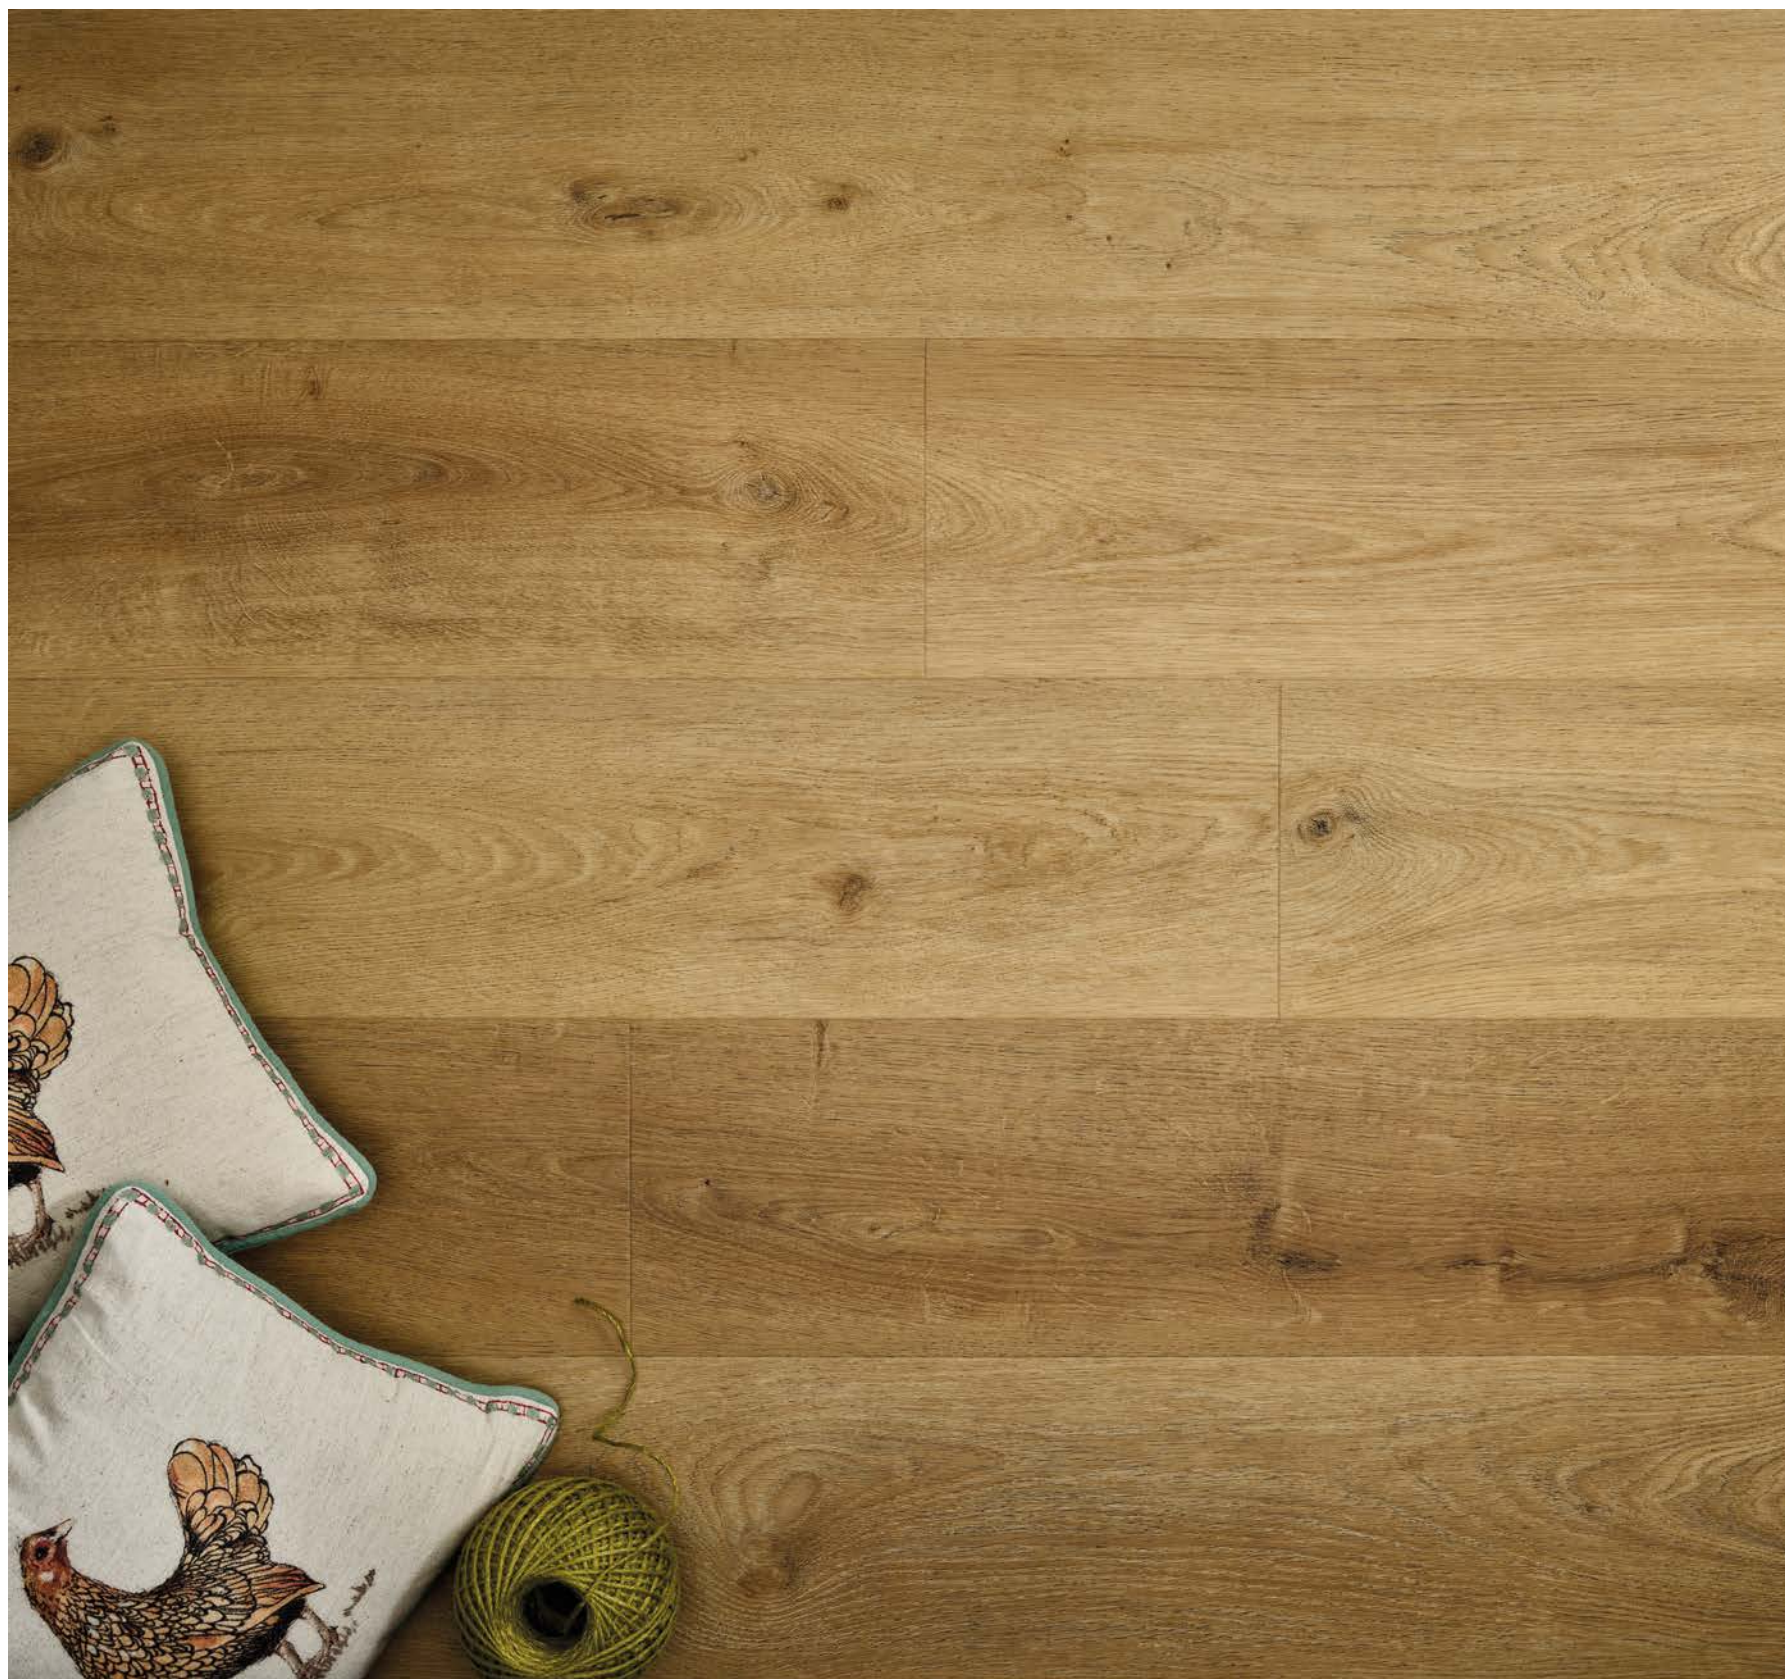

Ultra-Realistic Appearance

Elements Inspirations® has the most realistic aesthetic with a deep Registered Embossed surface that looks and feels just like natural hardwood. Micro-bevelled edges on all edges complete the look.

LIMED OAK Plank **EIP-03**
Matching Herringbone **EIH-03**

DOVE OAK Plank **EIP-04**
Matching Herringbone **EIH-04**

NATURAL OAK Plank **EIP-05**
Matching Herringbone **EIH-05**

Fully Waterproof

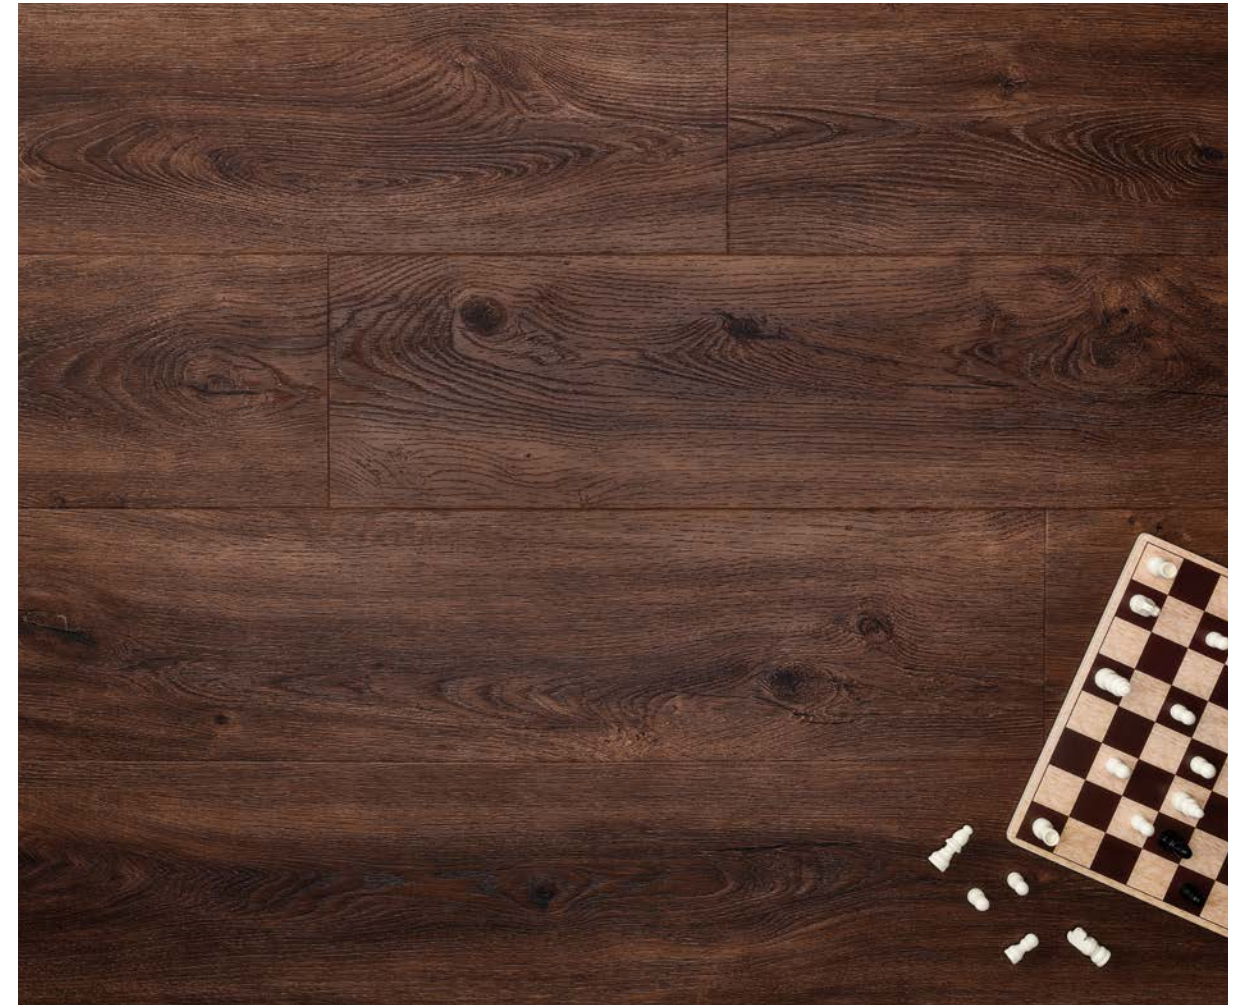

You get complete peace of mind when buying Elements Inspirations®. It is fully waterproof and highly stain-resistant, making it the perfect choice for bathrooms (not wetrooms), kitchens and play areas.

Spills can easily be wiped away without compromising the floor.

NATURAL OAK Plank **EIP-05**
Matching Herringbone **EIH-05**

MAHOGANY Plank **EIP-06**
Matching Herringbone **EIH-06**

Easy to Maintain

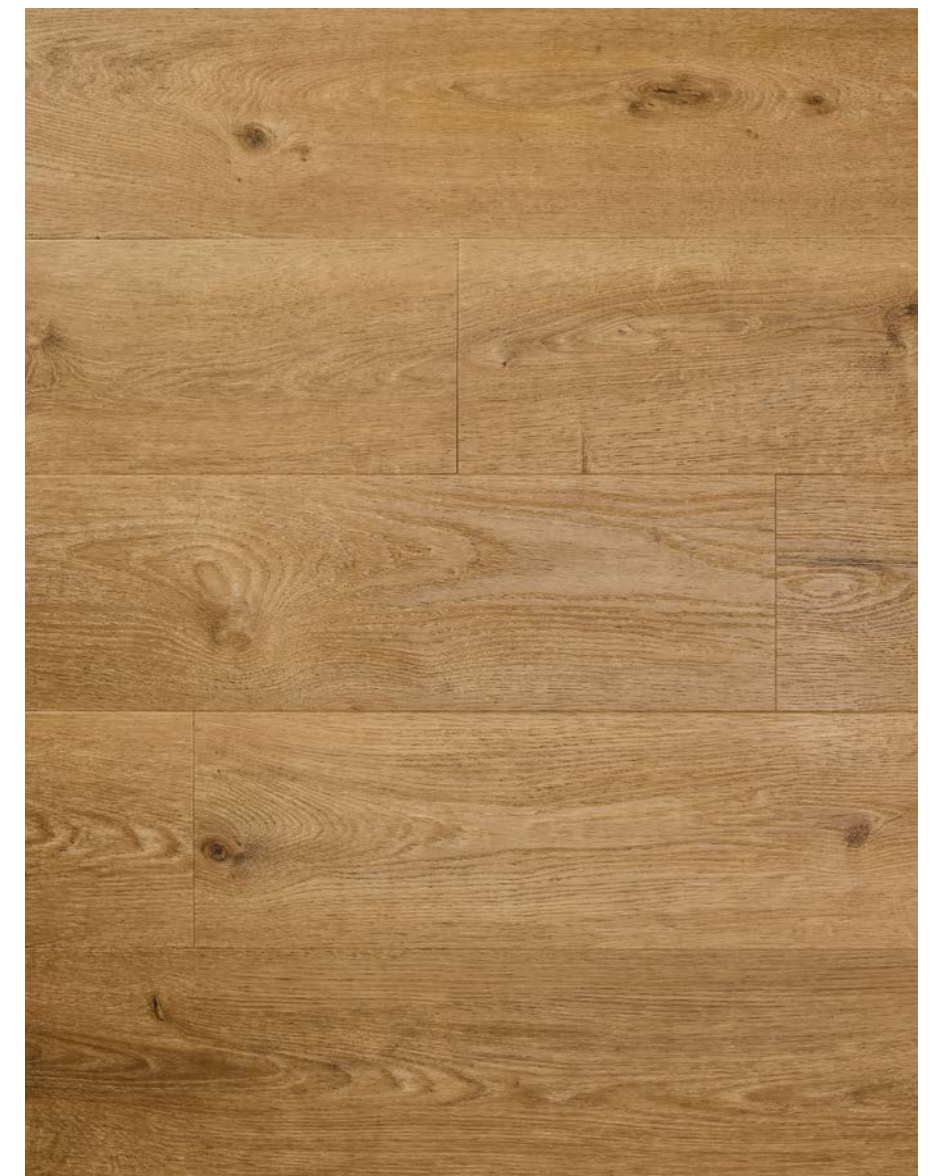

Elements Inspirations® is designed with easy maintenance in mind with its 0.70mm wear layer that is 20% denser than most competitors, making it exceptionally scratch and stain-resistant.

Looking after it couldn't be simpler — just a soft brush and spray mop will do.

MAHOGANY Plank **EIP-06**
Matching Herringbone **EIH-06**

BARN OAK Plank **EIP-07**
Matching Herringbone **EIH-07**

Safety First

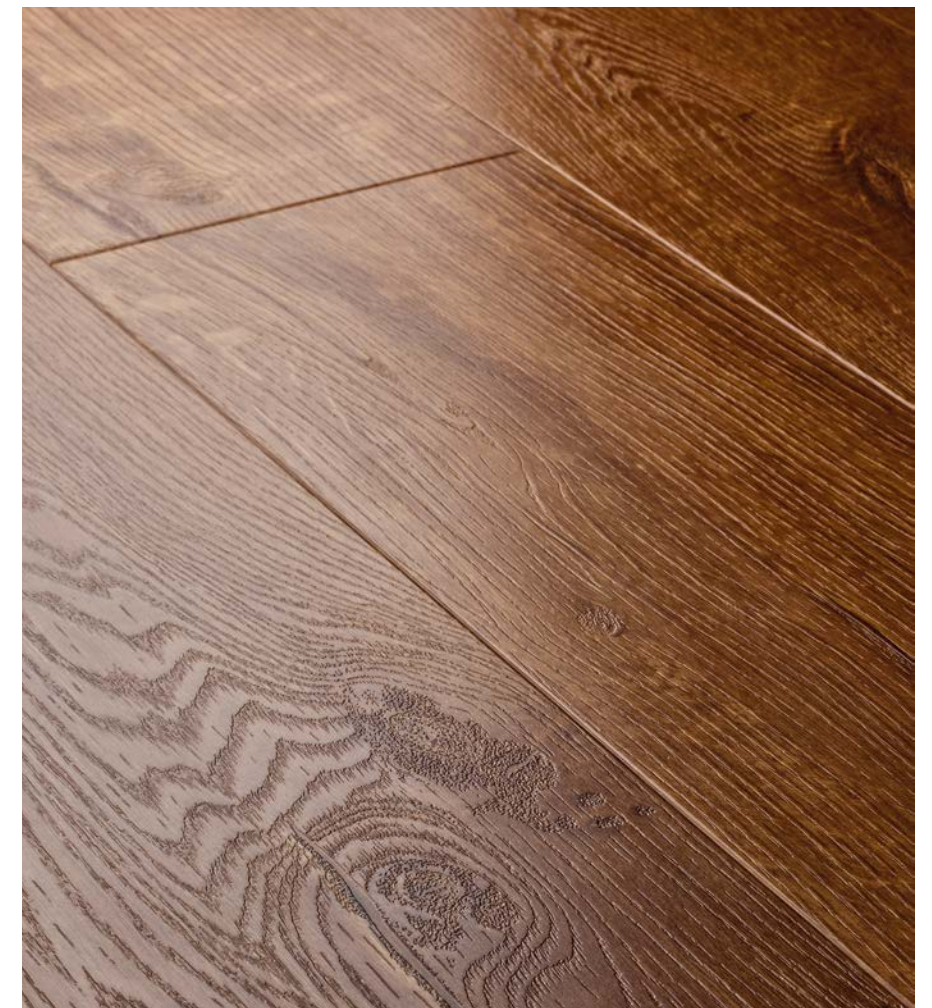

Elements Inspirations® is completely safe for your home. It contains no formaldehyde or heavy metals and is rated A+ for VOC emissions. It also achieves Eurofins Gold Certification for Indoor Air Comfort® and is FloorScore® certified.

FloorScore® is the most recognized indoor air quality (IAQ) certification standard for hard surface flooring materials.

WHITE ASH Plank **EIP-11**
Matching Herringbone **EIH-11**

Ultra-Matt Finish

Elements Inspirations® manufactured with an ultra-matt finish which avoids the high surface glare commonly associated with glossy floors.

This also showcases the superior scratch-resistant EIR surface which far exceeds almost all other brands and should be a consideration when making a purchase.

HERRINGBONE

Herringbone floors make a really bold statement and you can create the iconic zig-zag pattern in several ways in addition to some more unusual options. Below are a selection of the more popular Herringbone laying patterns.

SANDY OAK Herringbone **EIH-01**
Matching Plank **EIP-01**

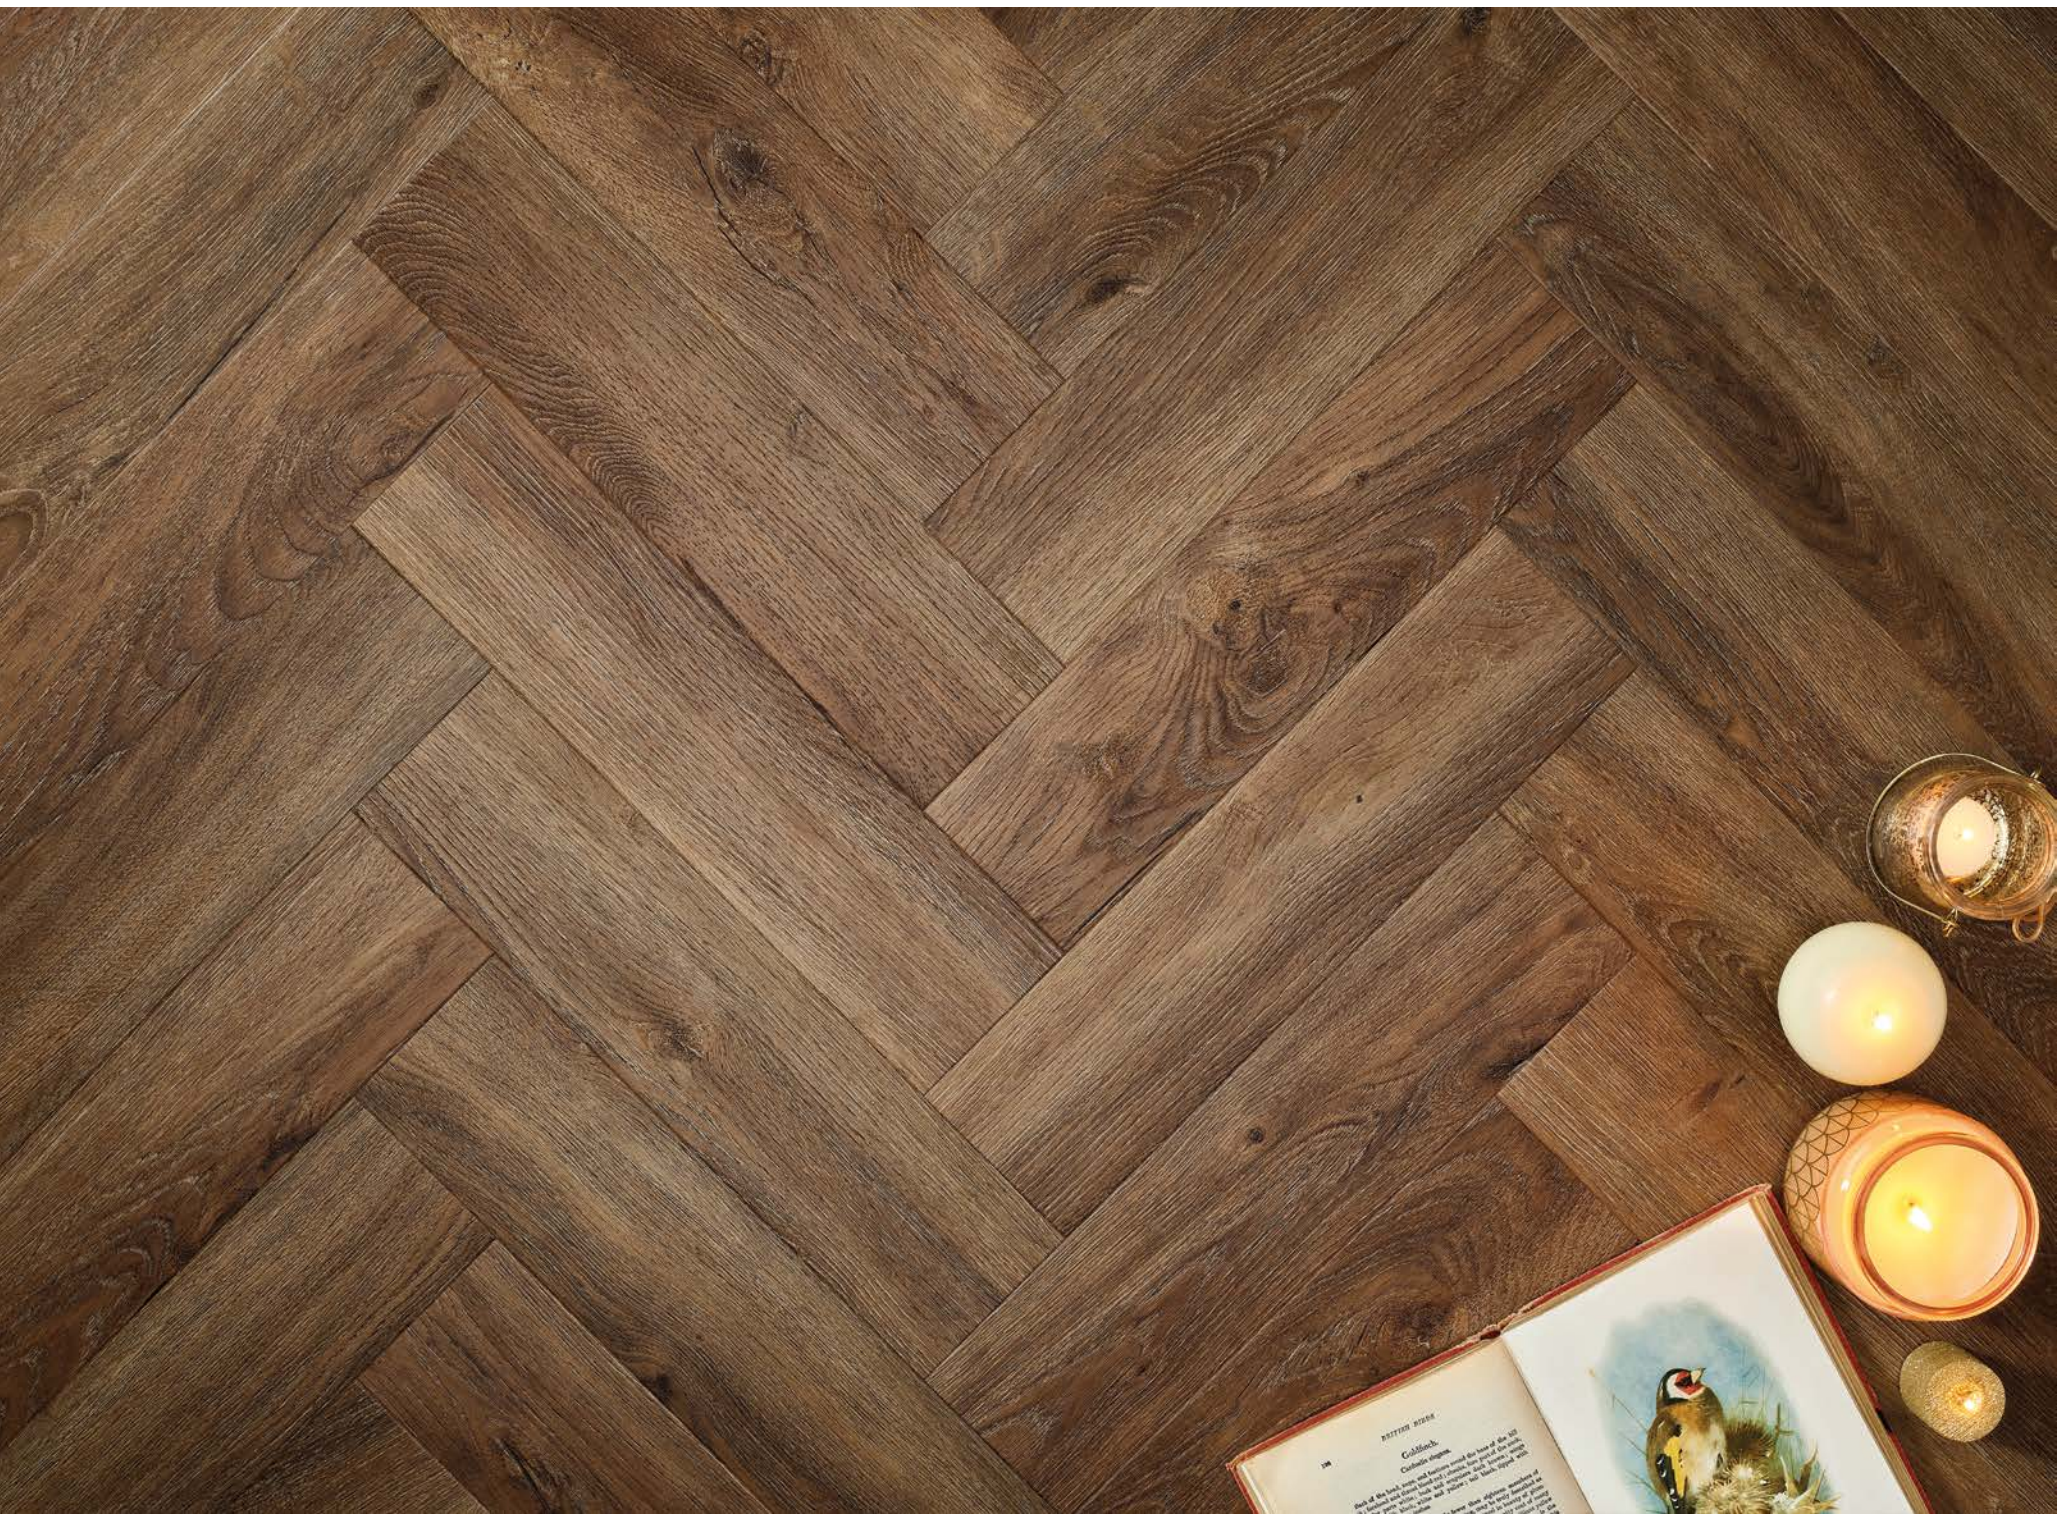

Colours	12
Thickness	2.5mm
Wear layer	0.70mm
Size	95mm x 380mm
Planks per pack	72 pieces = 2.599m ²
Warranty	Lifetime residential 15-year commercial

Herringbone is a timeless, elegant and hugely versatile option that will very easily transform your home or workplace.

With its commercially-rated wear layer, Elements Inspirations® makes a visually striking impression in all settings.

All twelve Herringbone colours shown on the following pages are available in matching Planks (see pages 7-29).

ESPRESSO Herringbone **EIH-02**
Matching Plank **EIP-02**

LIMED OAK Herringbone **EIH-03**
Matching Plank **EIP-03**

No Need for Expansion Gaps

LVT only requires glue for installation and can be fitted tight against straight and curved walls and fixtures. This omits the need for expansion gaps that are essential for hardwood floors.

LIMED OAK Herringbone **EIH-03**
Matching Plank **EIP-03**

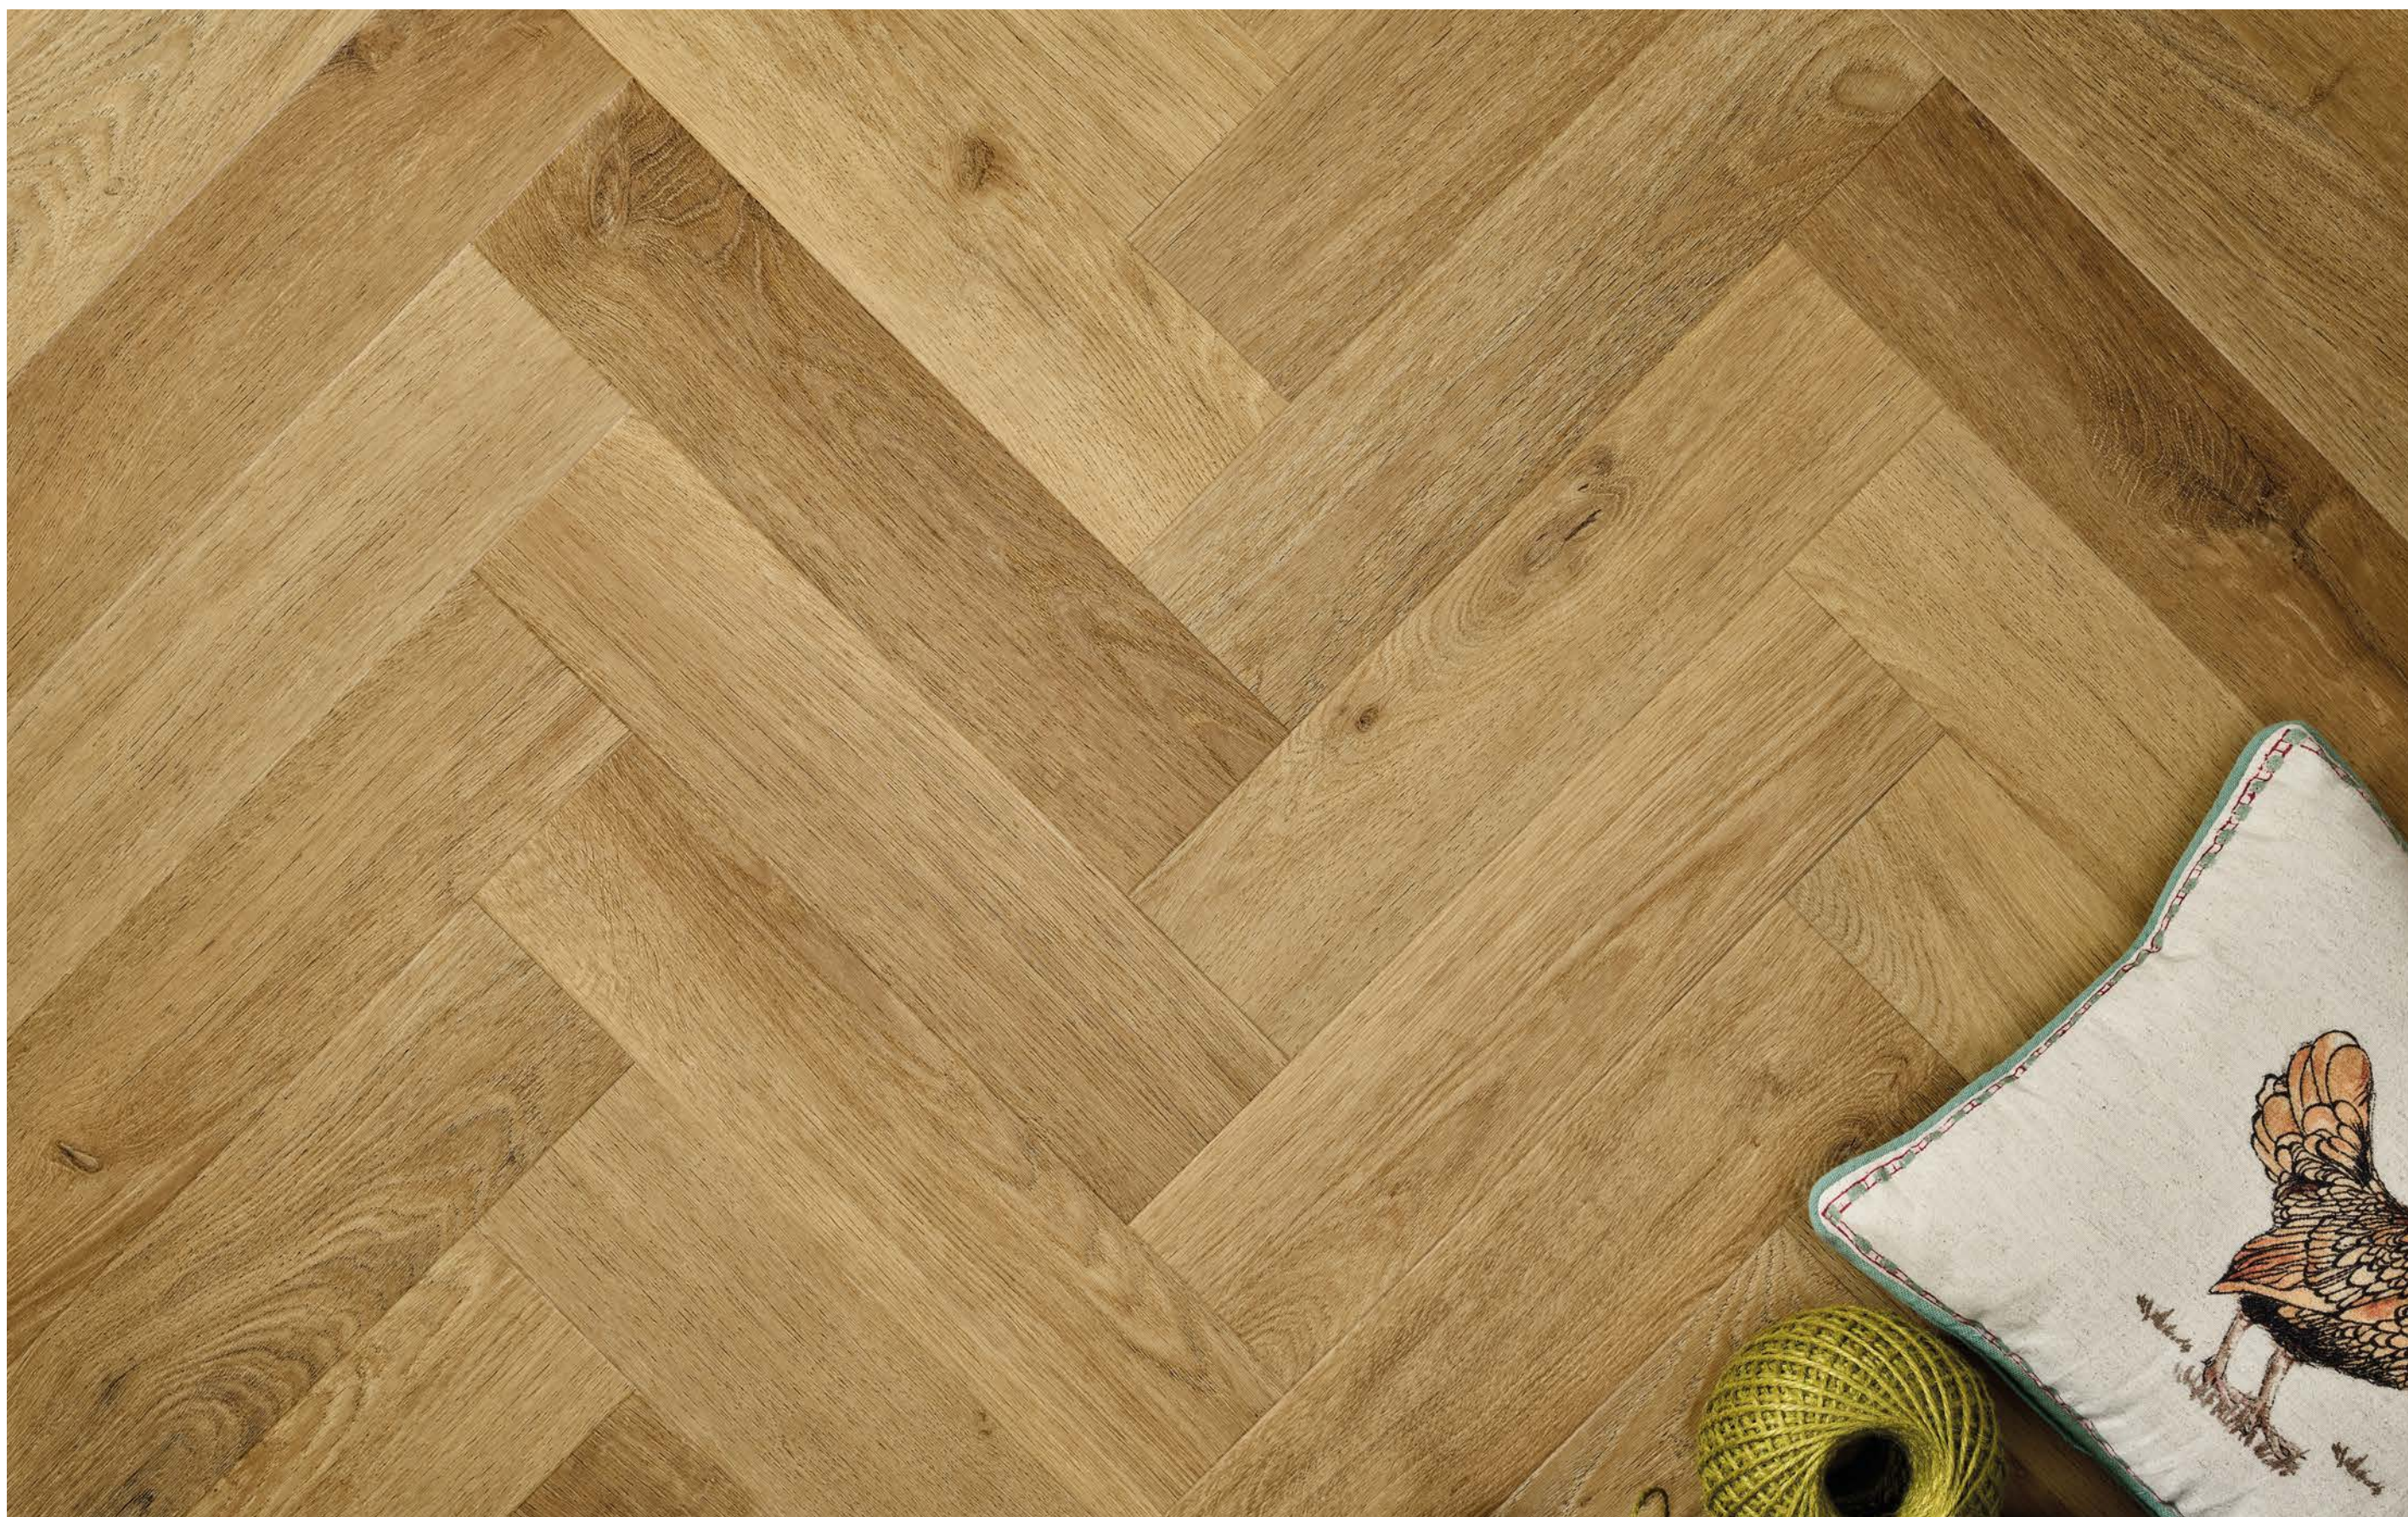

Highly Slip-Resistant

Elements Inspirations® achieves the highest score in Pendulum Slip Value (PTV) tests with a rating of 36+ which is deemed as low slip potential.

PTV tests are used in workplaces, public buildings, and legal investigations and are conducted strictly in accordance with the UK Slip Resistance Group (UKSRG) and Health & Safety Executive (HSE) guidelines.

PTV test ratings are defined as follows:

- 0-24 High risk (likely to fail safety requirements)
- 24-35 Moderate risk (caution required; may need mitigation)
- 36+ Low risk (meets HSE guidance for safe flooring)

	EFS-12 Country Oak

Matching Feature Strips

For The Perfect Finish
Add the professional finish to borders and feature areas with Elements® LVT Feature Strips which are available in all 12 colours to match the entire Plank and Herringbone range.

Sold in 36" lengths, they have 0.70mm wear layer and align with the bottom of the bevelled edge on Plank and Herringbone.

Available in packs of 25 units per rigid tube.

Colours	12
Thickness	2.3mm
Wear layer	0.70mm
Width	75mm
Length	36" (914.4mm)
Pcs per Pack	25

MONZA

Anodized Aluminium Feature Strips

Add a Touch of Luxury

For a luxurious contrasting border and visual effect, Monza anodized aluminium features strips are available in 10 colours.

Anodized aluminium offers exceptional durability, superior corrosion and wear resistance and a color-stable finish.

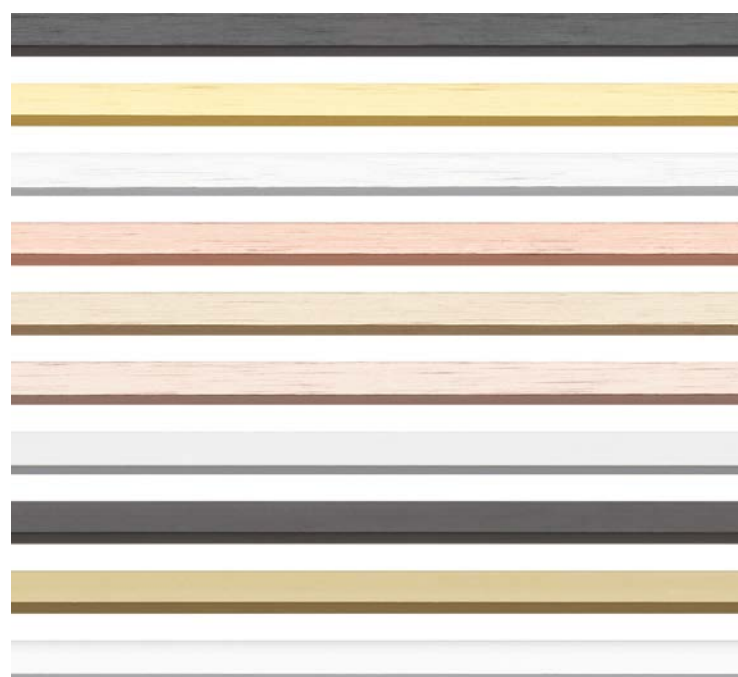

Made in 1000mm lengths, they align with the bottom of the bevelled edge on all Elements® Planks and Herringbone.

Available in packs of 25 units per rigid tube.

REGISTERED EMBOSSED LVT

DATA & SPEC SHEET — HEAVY CONTRACT USE WATER-RESISTANT LVT

Product Definition		Dryback LVT Plank & matching HB (Herringbone)
Embossing Definition		EIR (Embossed-in-Register)
Surface Treatment		UV, ultra-matt finish
Scratch Resistance	ISO 1518-1	Value on application. Scratch-resistant aluminium oxide.
Water Resistance		Fully waterproof
Dimensions		Planks: 187 × 1227mm HB: 95 × 380mm
Units per Pack		Planks: 16 = 3.67m ² HB: 72 pieces = 2.599m ²
Pack Weight		Planks: 16.52kg HB: 11.70kg
Thickness/Wear Layer		2.50mm / 0.70mm
Micro-bevelled Edges		4 × micro-bevels per plank
Performance Classification	EN ISO 10874	Class 33/42 Heavy Contract
Anti-slip Classification	EN 16165:2021	36+ (denotes product as low risk — see page 37 for details)
Castor Chair Test	EN ISO 4918	Pass
Residual Indentation	EN ISO 24343-1	≤0.1mm
Resistance to Staining	ISO 26987	Pass
Reaction to Fire	EN 13501-1	Bfl-s1
Reaction to Light	ISO 105 B02	≥6
Thermal Conductivity	EN 12667	0.051 m ² K/W
Thermal Resistance	EN 12667	0.039 m ² K/W
Dimensional Stability	EN ISO 23999	≤0.15%
Curling Resultant to Heat	EN ISO 23999	≤1.0mm
Underfloor Heating Suitability	Yes	Water-based UFH system only to max. temp 27°C (80.6°F)
VOC Emissions	ISO 16000	A+
Formaldehyde HCHO Emission	EN 717-1	Class E1
Indoor Air Comfort	Eurofins	Pass — Gold
UKCA/CE/Floorscore/EPD		Certified
Wear Warranty		Residential: Lifetime Commercial: 15-year

GENERAL

Cleaning, Maintenance and Installation	Please refer to guidance at elementslvt.co.uk Brochure and Data Sheet also available for digital download.
Laying Instructions	We strongly recommend fitting is carried out by flooring professionals only and that advice is sought regarding the surface on which the LVT is to be laid and the correct adhesives to be used.
PLEASE NOTE	Colour variations have been specially developed between planks to replicate the unique and natural character of real wood flooring.
Warranty	Elements Inspirations® Embossed-in-Register LVT is backed by our Lifetime Residential and 15 Year Commercial Warranty, subject to T&Cs (available on request). Download at elementslvt.co.uk
